Pet Boarding Policies

- 1) Vaccines for contagious diseases must be administered within the last 12 months.** For dogs, DHLPP/Parvo, Kennel Cough (Bordetella). For cats, FVRCP (Cat distemper and upper respiratory). All pets must have current intestinal parasite exams and Rabies vaccination.
- 2) Bathing or Bath and flea treatment are available prior to discharge.**
Free bath if pet is boarded over 3 nights.
- 3) Toys can be brought if they are non absorbent and are not valuable.**
Toys sometimes get lost or damaged and may not always be returned.
- 4) Health problems that arise during your pet's stay will be treated and the treatment fee will be added to your bill.**
- 5) Pets are received and discharged during normal business hours.**
Exceptions will only be made for emergencies, such as death in the family.
